Sacramento, CA

## Register NOW!! Seating is limited

The California Legislative Delegation invites you to participate in the  
8<sup>th</sup> Annual **RIMS** on the **Mall**,  
putting you front and center for current California legislative issues.

As a participant in **RIMS** on the **Mall**, you will be an important part of this intensive experience. You will learn and experience:

- The keys to effective lobbying
- Talking points relating to challenges critical to the risk management community
- Communicating and sharing insights with fellow risk managers

Meetings with State legislators and key staff will give you the chance to represent your Chapter and voice positions on issues important to the risk management community.

### Speakers confirmed are:

- Christine Baker, Director, Department of Industrial Relations**
- Garen Corbett, Director, California Health Benefits Review Program**
- Katie Fox, Vice President of Client Management, Franco Signor**

Attendees will participate in discussion on topics such as:

- Emerging Issues
- What to expect this year from the State Legislature
- New developments regarding California Workers Compensation
- Affordable Care Act
- Medicare Secondary Payer Update
- Risk Management Roundtable of current challenges and issues

**Tuesday, March 8:** Registration begins at 10:00; presentations begin at 11:00. (Lunch provided)
