

LA RIMS

2024 Sponsorship Opportunities

The LA RIMS Chapter is a non-profit group, we are only funded through a small portion of our members annual membership fees. All of our other operating expenses are funded through registration fees to specific events and sponsorship of events. The Annual Golf Tournament (June 5, 2024) is the major fundraising event of the year for the Chapter. We also offset some of our costs by having sponsors of our two networking events of the year – a BIG Summer Event and the Holiday Party.

We recognize that our partners sponsorship dollars are limited and we would prefer not to come to you multiple times throughout the year, but your support is critical and we hope you see a benefit to supporting LA RIMS – **THANK YOU!!!**

In 2024, we hope to have multiple opportunities for sponsorship: the Golf Tournament, the Summer Event, and the Holiday Party. All are traditionally well attended events.

Each of these events have Gold, Silver, and Bronze level sponsorship opportunities. Please see next page for specifics.

We also like to give back and recognize our sponsors through LinkedIn messaging, official communications (email), a sponsors page on larims.org, and more. We also include our top sponsors rotating logos on our website for an entire year after their donation.

The sponsorship dollars go to offset the cost of luncheons and our other events throughout the year. While we try to put on great educational and networking events, we want to keep the costs affordable for our members. When we determine there is excess funding, we work to provide scholarships and donations to risk and insurance related organizations and schools.
