About Us

The **LA RIMS Chapter** is a vibrant non-profit organization that thrives on the generosity and partnership of supporters like you. While a portion of our operating costs is covered by membership fees, we rely heavily on event registration fees and sponsorships to fund the educational and networking opportunities that make our community so special.

Our Annual Golf Tournament (June 5, 2025) is the major fundraising event of the year for the Chapter. We're also thrilled to host two cherished networking events – the BIG Summer Mixer and Holiday Party. These gatherings are highlights for our members and provide fantastic opportunities to connect, celebrate, and give back.

We know budgets are tight, and we aim to keep our requests to a minimum. That said, your sponsorship is critical to our Mission, and we hope you'll consider joining us in 2025. Your support not only ensures the success of these events but also helps us maintain affordable programming and give back to the risk and insurance community through scholarships and donations.

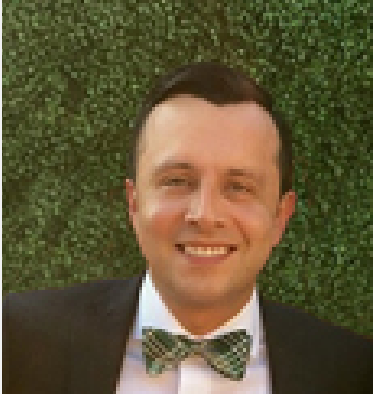

We've designed a variety of sponsorship opportunities to fit your needs, with Gold, Silver, and Bronze levels available for each event. These packages offer great ways to showcase your organization while making a meaningful impact. We recognize our sponsors through LinkedIn messaging, official email communications, a sponsors page on larims.org, and more. We also include our top sponsors rotating logos on our website for an entire year after their donation.

Every dollar of sponsorship makes a difference! It helps us cover event costs and supports our goal of providing engaging, high-quality programming for our members throughout the year. When funds allow, we go further by offering scholarships and contributing to risk and insurance-related schools and organizations.

We're truly grateful for your consideration and partnership. Let's make 2025 our best year yet – together!
